

WASTE CONNECTIONS, INC.
Connect with the Future

November 3, 2017

Carley Lewis, City Clerk
City of South Pasadena
7047 Sunset Drive S.
South Pasadena, FL 33707

Ms. Lewis:

Per your request, Waste Connections officially and respectfully requests a CPI increase for our contract of 1% as outlined in the Solid Waste and Recycling Collection Agreement between the City of South Pasadena and Waste Connections of Florida.

After review of the *Consumer Price Index - All Urban Consumers* it was determined that 2.1% to 2.3% is the trend. We would like to request a CPI lower than the current rate as a sign of good faith for the first year of our contract.

Due to the fact we are behind due to Irma we would make the CPI increase effective 1/1/18 if approved.

Thank you for this consideration

Sincerely,

Ian Boyle
Government Affairs Manager
Waste Connections of Florida
