 Label tree(s) proposed for removal and trees to remain.
 Draw square to indicate proposed replacement tree location(s).
 Provide a north arrow (ex. N↑)

City of South Pasadena's ordinance regarding REPLACEMENT TREES:

Section 183-6:

- A. As a condition of the granting of a tree removal permit, the applicant is required to relocate the trees being removed or to replace removed trees on a one-for-one basis. Replacement trees shall be a minimum of six feet in height at the time of planting and have a potential height of not less than 15 feet.
- B. Any tree or trees relocated or any replacement trees shall be replaced by the owner of the property if those trees die within two years of their placement on the site.

I understand that a separate permit must be secured for all work not provided in this application. I certify that all foregoing information is accurate and that all work will be done in compliance with all applicable laws regulating zoning and construction.
